Spring is approaching and we will have the rainy season upon us. With the warmer weather we all should be able to get outdoors and rid our property of any debris that accumulated over the winter months. Take time to check your rain gutters and down spouts. Make any repairs necessary to insure that they will operate properly when the rain falls.

March Meetings:

March 1, 2006 7:00PM
March 15, 2006 7:00PM

Meetings are held in council chambers

The Columbiana County Health Department has informed us that any buildings or remodeling that deals with plumbing will require a plumbing permit. This will also apply to the Village. Call my office during regular office hours should you have any questions regarding this matter.
