On behalf of the village, I wish to express a gratitude to all Village residence that has cooperated to help maintain our Village in a manner conducive to neighborhood pride. I am further asking all residents to continue your efforts in this concern. I remind all residence that unregistered vehicles are considered to be junk vehicles and are to be removed from Village properties. The retention of such vehicles is in violation of Village Ordinances.

Our area has had an above average of precipitation. We have been fortunate in the past year

to avoid serious flooding. Proper gutters and downspouts on all houses are important to help control runoff. Please insure that your residence has a maintained gutter and downspout systems that is properly operating. Failure to insure a functional system is in violation of Village Ordinances.

Your cooperation in both of those concerns will indeed be appreciated by all in the Village.

Thanks
John Rydarowicz
