### Leetonia Citizens Committee

On March 1, 2006 Leetonia village Council gave its permission for the Leetonia Citizens Committee to once again apply for a \$250,000 grant. Last year we lost the grant by only two points. Last year’s efforts will greatly enhance the success of this year’s application process.

We are once again asking for support in our effort to secure this grant. One of the areas we lost points in last year was by not getting out enough to other organizations to discuss the grant. The other was not listing enough activities.

This year we would very much appreciate input from your organization as to new activities and/or monetary or in-kind services (to be used as matching funds). We are also requesting to be present at one of your meetings just long enough to answer any questions you may have and any suggestions for activities. This should only take approximately 10 minutes at the beginning of your meeting. If this is not possible, could you have a representative from your organization attend one of our meetings?

One again it is the **residents** of Leetonia who are working for this grant and the only way to achieve this is by working together.

If you can accommodate us, please call Gary E. Phillips at 330-427-8090 or Susan Simpson at 330-427-6579 or 330-853-0568.
