The Zoning Department is requesting that any Village resident that has any type of a vehicle that is not currently used for transportation be removed from the premise. All vehicles must have a current registration and be in workable condition and utilized for daily purposes. Further: Please insure that your yard area is clear of any debris that does not have a functional or usefulness in your daily activities. Such materials are not conducive to the environment of the Village or your neighborhood. It is also that time that our yards require attention. Please insure that your grass is attended to as are shrubs and flowers. Prevent any undesirable weeds and other unwanted growth. This is our Village.

Your cooperation to insure that the Village is a place for people to buy homes and raise their families is indeed appreciated.
