ZONING OFFICE

The Village is indeed appreciative for those concerned residents that continue to maintain their properties in a manner that presents a welcoming environment. I have seen many of you improving your homes and landscaping to keep Leetonia a great place to live.

Driveways: Anyone that has built a new home in the past several years is reminded that your driveway must be either concrete or asphalt. Gravel is not acceptable.

A special thanks to those that keep their hedges trimmed properly.

Thanks, JOHN RYDAROWICZ, ZONING OFFICER
